The Health Plan You Need to Know

Welcome to Aetna Better Health!

Aetna Better Health is a health plan that provides health care for Medicaid members in the Tarrant Service Area. Aetna Better Health contracts with many doctors, clinics, and hospitals to bring you the medical care you need.

You will find the doctors, clinics, and hospitals that are part of the Aetna Better Health Provider Network in this directory, as well as their office hours and location. If you have a problem making an appointment, call Member Services at 1-800-306-8612 and we will help you.

How to Join in Aetna Better Health

After you have become eligible with Medicaid Managed Care by the Texas Health and Human Services Commission (HHSC), you will receive an enrollment packet from the Enrollment Broker. This packet will have information on Aetna Better Health.

You will need to review the information including this provider directory, which is a listing of doctors, hospitals, and clinics and other detailed information about Aetna Better Health.

When you select your Primary Care Provider, call the Enrollment Broker at 1-800-964-2777 and provide them with the following information:

- Your name and Medicaid Number
- Tell them that you have picked Aetna Better Health
- Tell them the name of your doctor that you picked

Picking your Primary Care Provider (PCP)

To pick your personal doctor, who is called a Primary Care Provider (PCP), you will use this Aetna Better Health Provider Directory.

Your Primary Care Provider will help take care of all your health care needs and make referrals to a specialist when you need it. You will need to pick a Primary Care Provider for each eligible family member from our list of doctors. You can pick from:

Pediatricians (doctor for children)
General/Family Practice (doctor for families)
Internal Medicine (doctor for adults)
OB/GYNs (doctor for females)

Please note, if you are a female, you can see an Obstetrician/Gynecologist (OB/GYN) without a referral.

You can pick different Primary Care Providers for each eligible family member with Aetna Better Health. You can change your Primary Care Provider four times a year by calling Aetna Member Services at 1-800-306-8612.

Finding an After Hours Provider

You have a new way to get care after 5 p.m. and before 8 a.m., and on weekends or holidays. You can see any After Hours Providers without a referral from your Primary Care Provider.

Picking an Obstetrician/Gynecologist (OB/GYN)

If you are a female, you can pick any OB/GYN from the Aetna Better Health Provider Network to take care of your female health needs. An OB/GYN can help you with your pregnancy care, yearly checkups or if you have female problems. You do not need a referral from your Primary Care Provider for these services.

If you choose to see an OB/GYN, you should go to the same OB/GYN for each visit so they will get to know your health care needs.

Using a Specialist, Behavioral Health, Vision, or Ancillary Provider

Aetna Better Health has different providers who will work with your Primary Care Provider to care for your special health care needs. Your Primary Care Provider may want you to see a specialist. Your Primary Care Provider will give you information about a specialist who can treat your health needs. Your Primary Care Provider will arrange for you to see the specialist. This is called a referral.

You do not need a referral for family planning services, behavioral health care, OB/GYN, or Texas Health Steps (THSteps) Medical Check-ups. To pick a behavioral health provider, please call Magellan Behavioral Health at 1-800-327-9807.

To pick a vision provider, please call Block Vision at 1-800-879-6901.

To get a list of Ancillary Providers, call Member Services at 1-800-306-8612.

El plan de salud que necesita conocer

¡Bienvenido a Aetna Better Health!

Aetna Better Health es un plan de salud que proporciona cuidados de salud para miembros de Medicaid en el área de servicios de Tarrant. Aetna Better Health contrata un gran número de médicos, clínicas y hospitales para ofrecerle la atención médica que necesita.

En este directorio, encontrará los médicos, las clínicas y los hospitales que pertenecen a la red de proveedores de Aetna Better Health así como sus horas laborables y ubicación. Si tiene algún problema para pedir una cita y necesita nuestra ayuda, llame por teléfono con Servicios al miembro al 1-800-306-8612.

Cómo inscribirse en Aetna Better Health

Si usted reúne los requisitos para recibir atención médica administrada de Medicaid por medio de la Health and Human Services Commission (HHSC, Comisión de Salud y Servicios Humanos) de Texas, recibirá un paquete de inscripción de su agente de inscripción. Este paquete tendrá información sobre Aetna Better Health. Usted necesita revisar la información, incluyendo este directorio de proveedores, que es un listado de médicos, hospitales y clínicas, y otro tipo de información detallada sobre Aetna Better Health.

Cuando escoge su proveedor de cuidado primario, llame por teléfono con su agente de inscripción al 1-800-964-2777 y bríndele la siguiente información:

- Su nombre y número de Medicaid
- Comuníquese que ha escogido Aetna Better Health
- Dígame el nombre del médico que usted ha escogido

Cómo escoger un proveedor de cuidado primario (PCP)

Usted usará este directorio de proveedores de Aetna Better Health para escoger a su médico personal, llamado proveedor de cuidado primario (PCP).

Su proveedor de cuidado primario lo ayudará a cuidar sus necesidades de atención de salud y lo remitirá a un especialista cuando sea necesario. Usted debe elegir de nuestro listado de médicos un proveedor de cuidado primario para cada miembro elegible de la familia. Usted puede escoger:

Pediatras (médico de niños)
Medicina general/familiar (médico de familias)
Medicina interna (médico de adultos)
Obstetricias o ginecologías (médico de mujeres)

Por favor, tenga en cuenta que si usted es mujer, puede consultar a un obstetricia/ginecología sin una recomendación.

Puede escoger distintos proveedores de cuidado primario para cada miembro elegible de la familia cubierto por Aetna Better Health. Usted puede hablar con los Servicios al cliente de Aetna al 1-800-306-8612 para cambiar su proveedor de cuidado primario hasta cuatro veces por año.

El encontrar proveedor después del horario normal

Hay una nueva forma de recibir atención después de las 5 p.m., antes de las 8 a.m., y durante los fines de semana o los feriados. Puede visitar a cualquier proveedor que brinde servicios en horas no laborables, sin necesidad de que su proveedor de cuidado primario lo remita.

Cómo escoger un obstetricia/ginecología (OB/GYN)

Si usted es mujer y es miembro, puede escoger cualquier médico obstetricia o ginecología de la red de proveedores de Aetna Better Health para encargarse de sus necesidades de salud femenina. Un obstetricia/ginecología la puede ayudar con el cuidado de su embarazo, los chequeos anuales o si usted padece problemas femeninos. No necesita una recomendación médica de su proveedor de cuidado primario para obtener estos servicios.

Si usted escoge consultar a un obstetricia/ginecología, debería seguir consultando al mismo en cada visita para que pueda llegar a conocer sus necesidades de atención de salud.

Cómo usar a un especialista, a un proveedor de salud del comportamiento, oftalmológico o auxiliar

Aetna Better Health cuenta con distintos proveedores que trabajarán junto a su proveedor de cuidado primario para cuidar sus necesidades especiales de atención médica. Su proveedor de cuidado primario puede querer que usted consulte a un especialista. Entonces, le dará información sobre un especialista que tratará sus necesidades de salud. Además, hará los arreglos para que usted vea a un especialista. Esto se llama una recomendación.

Usted no necesita una recomendación para obtener los servicios de planificación familiar, cuidado de la salud del comportamiento o de un obstetricia/ginecología, o chequeos médicos de Pasos Sanos de Texas (THSteps). Para escoger un proveedor de salud del comportamiento, llame por teléfono con Magellan Behavioral Health al 1-800-327-9807.

Para escoger un proveedor oftalmológico, llame por teléfono con Block Vision al 1-800-879-6901.

Para obtener un listado de proveedores auxiliares, llame por teléfono con los Servicios al miembro al 1-800-306-8612.
